# Släpstick

Flying violins! Speed skating ballerinos! Winner of the 2017 Edinburgh Spirit of the Fringe Award, Släpstick is an ode to the timeless comedy of Charlie Chaplin, Marx Brothers, Spike Jones and Laurel & Hardy – with a very modern twist.

Släpstick comes with a unique mix of virtuoso live music and energetic physical comedy. With a flair for eccentricity and a hint of melancholy, the five world-class performers have mastered over 100 instruments between them. Släpstick is a perfect blend of dazzling musicianship, lung-bursting physical comedy and heartfelt nostalgia in the true 'slapstick' tradition.

"The fun never stops... Stuffed full of charming eccentricities that make the show special... A savoury treat for the festive season – sharply funny, nutty as a fruit cake and utterly engaging." British Theatre Guide

Släpstick is daft. And that's [what] I wanted... Incredibly skilled, robust, polished and well funny... It's a real joy to sit and watch well-practised daft people be daft in an elaborate chain of floppy, choreographed comedy sketches... Come inside, get warm and laugh." – Exeunt

★★★★★ "Släpstick is just what the doctor ordered this close to Christmas – musical laughs, zany escapism and meticulous clowning... A pleasurable escape from all of the usual seasonal fluff... A complete triumph – scrupulously sharp, all-inclusive and utterly absorbing." – Upstaged Manchester

★★★★★ [This] madcap Dutch clown musical troupe will entertain the whole family with two hours of nonsense and buffoonery should you wish to do something alternative to the usual pantomime and Christmas shows... A wonderfully joyous show... will make you laugh solidly for two hours." – The Reviews Hub

★★★★★ "Full of anarchic amusement... There is no better way to kick-start your Christmas festivities! It is ridiculous fun that the whole family will love." – The Play's The Thing

★★★★★ "The show is like an episode of Monty Python's Flying Circus, absurd, silly and packed full of great physical and visual gags: you're never sure where it will take you... There quite literally is something for everyone." – Opening Night

**20 en 21 februari 2020 – aanvang 20.30 uur**
